Customer Reviews

The three-volume set *LITERATURAS HISPÁNICAS* were written at the peak of the careers of Drs. Ivan Schulmann and his partner Evelyn Picon-Garfied. They were a colorful, delightful, powerhouse academic couple (who could forget their matching fur coats?) who oversaw the careers of stunning young professors such as James F. Lee (*¿Qué te parece...?*) and Bill VanPatten (*Destinos*), and scores of graduate students who are now leaders in the field of Spanish, Italian and Portuguese. Used together, these three volumes: *Introducción*, *España*, *Hispanoamérica* - provide annotated and brilliant insight into Hispanic Literature. They are also well-suited to a two-semester course using the *Introducción* volume with both courses, then *España* in the Fall and *Hispanoamérica* in the Spring. These are written entirely in Spanish, fully documented and well researched - these can and should be used throughout the Spanish-speaking world; not just with non-native speakers of Castilian.

Excelente libro y la entrega estuvo muy bien, mucho antes de lo esperado, por lo que signific  una agradable sorpresa poder deleitarme con el libro desde ya.
