The Structure And Meaning Of Badarayana's Brahma Sutras: A Translation And Analysis Of Adhyaya 1

Synopsis

In the Brahma Sutras of Badarayana, we find what is perhaps the most influential work in the history of Hindu Theology, given that the Brahma Sutras served as the basis for the theologies of all major Hindu theologians, including Sankara, Ramanuja, Nimbarka, Vallabha, and Madhva. In this work Dr. Adams examines the first of the Brahma Sutras four sections in an attempt to identify their original meaning and the theology that Badarayana attempted to express.

Customer Reviews

This book provides an excellent translation and is very thought provoking on a subject that receives little attention. Definitely worth picking up.
