Prentice Hall Atlas Of World History

Synopsis

Produced in collaboration with Dorling Kindersley, the leader in cartographic publishing, this updated 2nd edition of Prentice Hall's "Atlas of Western Civilization" applies the most modern and innovative map-making techniques to present global history in all of its complexity and diversity. It presents both a broad overview and a detailed examination of historical developments.

Customer Reviews

For its small size, this book is a well produced selection of the most important historical maps in world history. Maps are easy to read, and the text does not overwhelm the maps. Highly recommended.

used it for a history class. inexpensive purchase, shipped and arrived on time. very satisfied with purchase.

Very good!
