Customer Reviews

This was a good audio. It reminded me of a few areas I needed to review before taking the test.After

attending a bootcamp, I used this audio, the PMBOK, and a couple of phone apps (PMP Summary, ITTO Game by XSense). I passed on the first attempt. I wish I could have purchased it to load on my phone. I had to pick up a portable player to carry it around. The phone could have gone with me for walks, etc.

Great for someone who travels and does not have time to read. Helped me pass the exam and I resold it and got back most of the money I invested in this product

Easy way to add study hours during your daily commute!

I found the CDs extremely useful to study for the PMP, found more than I expected and the ability to listen and learn while I drive is priceless

This is a great study aid to play on the way to work or play at home before reading the chapter in PMBOK or Head First PMP

It basically reads the pmbok. Expected real life role plays for the price

This program is very helpful!
