Customer Reviews

I purchased 5 REA CLEP books: CLEP Introduction to Educational Psychology (CLEP Test Preparation) CLEP Introductory Sociology w/CD (REA) - The Best Test Prep for the CLEP Exam (Test Preps) CLEP Biology w/ CD-ROM (CLEP Test Preparation) CLEP College Mathematics w/CD-ROM (CLEP Test Preparation) CLEP Analyzing & Interpreting Literature w/ Online Practice Exams (CLEP Test Preparation) I also purchased the CLEP Official Study Guide 2012. This was only worthwhile because I was taking so many tests. It only contains a sample test for each CLEP - and there are no detailed answers. I will say I think it was helpful but I also do not believe it made a real difference in terms of pass / fail on the tests. For the first three listed, it was enough to read the books a couple of times and then take the tests.
