Customer Reviews

It's a good map if you are planning a trip and know exactly what Interstate you want to follow. I am trying to find maps that have route 66 on them, which are very hard to find and it's not on this map.

Fine map, but larger than expected. Unfolded dimensions are 28 X 40.

This is just like the maps my parents used when they used to travel. Gives the same basic information of major roads that are needed.

A map you can spread out on a table and LOOK at, how neat, how retro. I couldn't believe how hard it was to find this. Thank you.

Exactly what I was looking for but missing some major roads. HUGE map though.

Great product and the purchase went very smoothly!

Map is good!

very good
